

Looking for an out of this world experience? The Cincinnati Observatory can bring programming and telescopes to you! Book a star party with us to gaze up at the stars with at least two telescopes available for viewing. These programs take place whether it's clear or cloudy so if the weather isn't cooperating, we've still got plenty to offer! In place of viewing, we will provide a presentation on one of the topics below along with meteorites from our collection on display. While we provide telescopes, projector, screen and a captivating presentation, we ask that you provide a space with adequate lighting, a table, and access to electricity.

Possible presentation topics include: "What's Up in the Sky", "The Solar System", "Stars, Galaxies, and Nebulae", and "Spacecraft and Space Travel"

Star parties cost \$300

Please reach out to Nicole Capella at nicole@cincinnatiobservatory.org to book. At the time of booking, we require a non-refundable deposit of \$150.

We provide Star Parties to the following areas around Cincinnati:

Ohio:
